

**Wiring information is designated on the ballast label for this dimmable fluorescent fixture.**

**For technical information on the Lutron dimming ballast installed in this fixture, please call:**

**1-800-523-9466**

**or**

**See their website at [www.Lutron/ballasts.com](http://www.Lutron/ballasts.com)**

When using electrical equipment, basic safety precautions should always be followed, including the following:  
1) Read all instructions carefully before installing and save for future use. Make sure all connections are in accordance with the National Electrical Code and local regulations.  
2) To avoid possible electric shock, be sure the power supply is turned off before servicing or installing the fixture. Service should be performed by qualified personnel.  
3) These instructions may not cover all details or variations. If additional information is needed, please contact Visa Lighting.
